

Characteristics of a HELOC (Home Equity Line Of Credit)

Required for the Advanced Line of Credit

When shopping for your home equity line of credit to be used as your “BLOC”, make sure the equity line has the following characteristics. If no, shop another lender:

- must be an open ended home equity line of credit with 5-10 year draw period
the longer the draw period, the better
- must have an interest only payment option
- must be attached to the primary residence in a second lien position
- must be a variable rate home equity credit line

- do not** have your monthly equity line payment automatically withdrawn from a designated checking account (your income deposits will be your payment, which will force the bank to adjust your daily minimum balance)

- do not** lock-in your equity line rate (this will remove the interest-only rate option)

What You Need for Check Writing

- lowest dollar amount minimum per check from the HELOC
- no fee per check from the HELOC
- no limit to the number of checks written from the HELOC each month
- shortest amount of time to clear and process checks from the HELOC

What You Need for Online Banking (if your HELOC is with your current bank)

- online transfer capabilities from bank checking to the HELOC and HELOC to checking
- no limit on the number of transfer
- no fees for online transfers
- no dollar amount limitation on transfers
- online bill pay
- no fees for online bill pay
