

WHAT YOU MIGHT LIKE TO KNOW

- The cost of college attendance is increasing faster than most cost indices. Student and parents are now looking at other avenues to finance college other than the standard government student loan.

Your first step is to determine what amount of financing you will need.

Link to use our cost calculator: www.SayStudent.com/calc/

- Understand the financial aid process. This requires you to file federal forms that colleges use to estimate how much financial aid the student can receive:

1: Scholarships

you want all of the FREE money you can get. True, most scholarships awards are for athletic and academic merits. But there are other scholarships for talents and affiliations. Use a national database to begin your search.

2: Federal Student Loans

the most popular form of financial aid. Federal student loans are generally processed through your college. You don't have to repay these loans until after your leave or graduate from school.

3: Federal PLUS Loans

federal loans for parents and graduate students. You can borrow up to the full cost of college attendance minus any financial aid awarded to the student.

4: Private Student Loans

sometimes loans, scholarships, grants, and other college aid do not cover the full cost of college, including personal expenses such as a computer. Many students are using private student loans to cover the gap.
