# Fold Paper Invitation

The invitation will print on 8x11 paper, one side only. You will make two folds to size the invitation to fit in a 4x6 envelope.

**First Fold:** fold invitation in half along the horizontal axis — graphic elements on the outside.

**Second Fold:** hold invitation with front and back cover facing you. Fold invitation in half along the vertical axis with the front and back cover on the outside fold. Use a standard 4x6 envelope to mail.

# *E-Mail Invitation*

We have two types of e-mail invitations.

## **Type 1: Generic E-mail Invitation**

This generic invitation cannot be personalized by you. You simply download and save the invitation to your desktop, attach it to an e-mail, and send it out to your guest list. Be sure to create an e-mail with information about your party, including time, location, directions, etc.

## **Type 2: Personalize Your E-mail Invitation**

If you have Adobe® Acrobat® Application Software, you can personalize your e-mail invitation with your party information. Simply download **FREE** the e-mail invitation and use your software to add information about your party. Save the data to the invitation and send it out to your invited guest list.
